

## The Galileo - Ready For New Adventures

Hero Skybox offers generous space for two adults, an easy-close gas-spring system, durable fiberglass shell and a rugged construction.

Hero Skybox keeps you sheltered and dry – even in the heaviest rain thanks to the hard shell and completely waterproof outer shell.

- Durable fiberglass shell
- Aerodynamically designed to reduce drag and wind noise
- Quick-release latches and security locks
- Offers generous space for two adults
- Memory mattress and pillows
- Self-opening gas springs with soft close
- All weather fabric, reflex pipings, elastic straps and Airtex awning
- Removable telescopic aluminium ladder: 2.3m max length with one-button operation (loadable up to 150 kg)
